WEFTEC Exhibitor Directory Logo Enhancement

Increase your company's WEFTEC visibility with logo ads in the exhibitor directories in the WEFTEC Conference Program, the WEFTEC Show Issue of *Water Environment & Technology* (*WE&T*) magazine, and the Online Exhibitor Directory at www.weftec.org. Attendees use these exhibit directories to identify the companies they plan to see, and your logo will make it easier for them to locate you. When you purchase a logo enhancement for your exhibitor listings in either *WE&T* or the WEFTEC Program, you'll also receive at no additional charge a logo enhancement for your listing in the Online Exhibitor Directory at www.weftec.org.

Deadlines

- July15 *WE&T* September issue (WEFTEC Show Issue of WEF's monthly magazine)
- July 22 WEFTEC Program

Specifications

Preferred: JPEG with image size at least 2⅛" × ¾" at 300dpi (minimum image size 640 pixels × 225 pixels high).
Also will accept EPS files.

Submission Instructions

E-mail logo file to logos@wef.org. Please include your company name in the subject line. If you purchased a logo ad last year and the logo has not changed, specify "repeat" on this form.

Please complete this form and send by fax or e-mail to your advertising representative listed below.

THE EXHIBITORS

Therma-Flite Inc. South 229

www.therma-flite.com

BIO-SCRU® — Therma-Flite Inc. manufactures biosolids drying equipment for Class A biosolids by thermal treatment. BIO-SCRU® is safe, efficient, and has a small footprint.

Thermaco Inc South 1479

www.thermaco.com

Big Dipper® — Thermaco Inc. pretreatment systems for recovering kitchen effluent FOG from restaurants, prisons, casinos, and food preparation facilities. Minimizes/eliminates lift station and collection system blockages/maintenance.

Thermal Edge Inc Kentia 8807

www.thermal-edge.com

Thermal Edge is a manufacturer of UL Listed industrial air conditioners, heat exchangers and fan packages for electrical enclosures.

Thermal Process Systems South 2757

www.thermalprocess.com

The Thermal Process Systems ThermAer™ Process provides biological treatment for substantial TS and VS reduction while producing Class A biosolids and often utilizing existing tankage to reduce construction costs.

Thermo Scientific West 4145

www.thermoscientific.com

Thermo Scientific offers solutions for your electrochemistry needs and a full range of process equipment including online analyzers, flowmeters, and pumps for chemical feed and sludge handling.

Thern Inc. South 1025

www.thern.com

Manufacturing a variety of hand and power operated davit cranes, winches, and hoists, ideal for lifting submersible pumps, mixers, UV panels, and more.

Thompson Pump South 341

www.thompsonpump.com

Thompson Pump is an industry leader in the development of high quality engine-powered portable pumps ranging in size from 2"–18" for use in varied applications.

Tianshan Precision Filter Material Co. Ltd West 5058

www.tsjmlc.com

TS FLTER is an ISO9001:2000 certified company. All filter cartridges are made of pharmaceutical grade materials and made in clean room. We have rich experience in manufacturing all kinds of pleated filter cartridges and filter housings.

Tides Marine Inc. Kentia 8808

TIGERFLOW Systems LLC Kentia 8938

www.tigerflow.com

Tnemec Company Inc. South 1711

www.tnemec.com

Leading provider of protective coatings and linings for the wastewater industry.

See our ad on page 202.

Tonka Equipment Co. West 5664

www.tonkawater.com

Tonka has customized water treatment solutions for the most challenging water problems. We offer gravity/pressure units, arsenic/radium/organics removal, membrane systems, ion exchange, renovations and our superior Simul-Wash™ backwash system.

Topp Industries Inc South 911

www.toppindustries.com

Manufacturing fiberglass basins and prefabricated lift stations 18" through 120" id, up to 35 feet deep.

Toray Industries Inc. West 5511

www.toraywater.com

Toray, a leading global membrane manufacturer for water purification and wastewater reclamation, offers expertise in membrane solutions such as MF/RO, UF/RO, and MBR Technologies.

See our ad on page 48.

Transdyn Kentia 8420

www.transdyn.com

Treatment Plant Operator (TPO) Kentia 8816

www.colepublishing.com

Trihedral Engineering Limited South 866

www.trihedral.com

VTScada is a SCADA/HMI software package designed for telemetry systems and treatment facilities. Running on standard Windows, VTScada communicates with most RTUs and PLCs.

Tripac Marketing Inc. West 5076

www.tripaconline.com

Leading supplier of packaged bolts, nuts, gaskets, insulation kits, and other specialty items for the water and wastewater industry. Specializing in xylan coatings.

Triple Crown Products West 5629

www.crownquality.com

Triple Crown Products is a full service cap, uniform, safety apparel and ad specialty company. We offer superior and prompt service while providing your company with the professional products you need.

Triplepoint Water Technologies West 4822

www.triplepointwater.com

Triplepoint Water Technologies develops revolutionary water and wastewater treatment systems that focus on providing efficient, sustainable, and environmental solutions for the wastewater industry.

Trojan Technologies South 1501

www.trojanuv.com

Trojan's UV treatment solutions protect consumers from the damaging effects of microbiological and chemical contaminants in water. For 30+ years we've set the standard in UV.

See our ad on page 14.

Troy Valve South 1529

www.troyvalve.com

Trumbull Industries West 4710

www.trumbull-mfg.com

Mud valves, floorstands, stem guides and chainwheels, available in stainless or iron. Tank pressure relief valves, floor boxes, and custom extension stems. Valve position indicators.

Tsurumi Pump South 2825

www.tsurumipump.com

Tsurumi Pump, certified ISO 9001, manufactures a wide variety of submersible wastewater pumps. WEFTEC exhibit highlighted by our Vancs industrial grade sump pumps and Cutter pumps.

Tuthill Vacuum & Blower Systems South 2706

www.tuthill.com

Tuthill Vacuum & Blower Systems is a leading manufacturer of blowers and vacuum pumps, ideal for the wastewater industry.

U&D Environmental Equipment Kentia 8810

www.gzud.com

Fine bubble membrane diffuser.

U.S. Composite Pipe/ FLOWTITE West 5607

www.uscompositepipe.com

Designs and builds reinforced polymer concrete structures for underground collection systems.

U.S. Department of Agriculture Rural Development Kentia 8211

www.usda.gov/rus/water

USDA Rural Development is a federal agency providing a wide range of financial assistance to rural communities, including loans, grants, and guarantees for water and wastewater development projects.

U.S. Environmental Protection Agency Kentia 8102
