installation & dismantle

When it comes to installation and dismantling of exhibits, no one does it better than Freeman. With more than 75 years of experience, our group of specialists is ready to assist you with all of your exhibit requests, from beginning to end.

Whether you choose to supervise or you need the assistance of a full-time Freeman employee, we can meet all your needs, from shipping and storage to emergency on-site repairs to basic installation and dismantling to support service coordination including electrical, furnishings and more. Freeman has the resources and the capabilities to help you have the most successful show experience possible.

do i need to order labor?

As an exhibitor, you are required to follow local labor jurisdictions. Please refer to the enclosed "Labor Jurisdictions" information sheet for details.

installation and dismantling services available

Freeman will work closely with you to coordinate every phase of your trade show participation, including:

- Preplanning and budget consultation
- Support service coordination – electrical, furnishings, floral and more
- Shipping and storage management
- On-site supervisors with dedicated floor managers
- Skilled labor and technicians for installation and dismantling
- Full, in-house carpentry
- Graphics production
- Emergency repairs and refurbishing
- Postshow evaluations
- Multiple show coordination

Supervise any labor yourself, or if you need assistance, Freeman I&D experts will do it for you.

if you use Freeman staff

Exhibits are set up prior to your arrival under the direction of Freeman I&D supervisors. We charge 30% of the total labor charge, with a minimum $45 fee.

if you supervise yourself

Installation – Your labor supervisor must check in at the exhibitor service center to pick up laborers. Upon completion of work, your supervisor must return to the exhibitor service center to release the laborers. Start time is guaranteed only when labor is requested for the start of the working day.

Dismantling – When scheduling dismantling labor, be sure to allow time for empty containers to be returned to the booth after the close of your show. Start time is guaranteed only when labor is requested for the start of the working day.
