

## 2024 STEMpath Preliminary Schedule of Events

Program content designed to engage and inspire

The WEF InFLOW program is designed to introduce scholars to opportunities in the water sector and help them foster a network within the water community. The 2024 program is a combination of virtual activities to introduce scholars to the water sector and in-person events at WEFTEC 2024 in New Orleans, Louisiana. If you cannot join live, please email <a href="mailto:inflow@wef.org">inflow@wef.org</a> in advance to let us know.
