

EXHIBITOR DIRECTORY

As of 2/13/14

ADS Environment Services Booth 304

www.adsenv.com

Phone: (256) 430-3366

1300 Meridian Street; Suite 3000

Huntsville, AL 35801

ADS Environmental Services has helped thousands of communities and utilities diagnose and correct wastewater infrastructure problems to increase efficiency and mitigate environmental compliance issues.

AP/M Permaform Booth 114

www.centripipe.com

Phone: (800) 662-6465

P.O. Box 555

Johnston IA 50131

AP/M Permaform offers engineered no-dig solutions for repairing badly deteriorated manholes, pipe and similar underground structures using CentriPipe and Permacast.

Applied Felts/MaxLiner Booth 211

www.appliedfelts.com

Phone: (276) 656-1225

450 College Drive

Martinsville, VA 24112

Applied Felts is the world's largest independent manufacturer of 100% vertically integrated, quality liners. MaxLiner continues to lead the field with versatile applications for both lateral and vertical repair.

Bentley Systems Booth 502

www.bentley.com

Phone: 1-(800)-BENTLEY

685 Stockton Drive

Exton, PA 19341

Bentley is the leading company dedicated to providing comprehensive software solutions used to design, build and operate the infrastructure that sustains our world.

BLD Services LLC Booth 110

www.bldllc.net

Phone: (508) 479-7202

2424 Tyler Street

Kenner, LA 70062

Cretex Specialty Products..... Booth 308

www.cretexseals.com

Phone: (262) 542-8153

N16 W23390 Stoneridge Drive - A

Waukesha, WI 53188

Leading manufacturer of internal & external manhole-frame chimney seals, external manhole wraps, pro-ring lightweight manhole adjustment grade rings, internal manhole & pipe joint seals, and easy seal SG, which is a spray applied polyurethane manhole-frame sealant.

CSL Services, Inc. Booth 505

www.cslservices.com

Phone: (856) 755-9440

7905 Browning Road, Suite 316

Pennsauken, NJ 08109

CSL Services is an engineering field services company that specializes in wastewater collection systems flow monitoring and condition assessment.

DHI Water & Environment Booth 204

www.dhigroup.com

Phone: (888) 344-9233

867 W Bloomingdale Avenue #6850

Brandon, FL 33508

DHI is a world leader in the development and application of water modeling software and technology for design, optimization, and operation of ports and harbors.

Doetsch
ENVIRONMENTAL SERVICES

Doetsch Environmental Services Booth 409

www.doetschenv.com

Phone: (586) 755-2090

21221 Millin Avenue

Warren MI 48089

With over a century of sewer cleaning experience, Doetsch offers solutions for large diameter, long-reach, difficult-access and impossible cleaning tasks.

Duke's Root Control, Inc. Booth 301

www.dukes.com

Phone: (315) 472-4781

1020 Hiawatha Boulevard, West

Syracuse, NY 13204

Duke's Root Control, Inc. is a full-service root control company dedicated to keeping sewer systems free of tree root growth.

Environment One Corporation..... Booth 209

www.eone.com

Phone: (518) 346-6161

2773 Balltown Road

Niskayuna, NY 12309

Too much to swallow? Retrofit your failing gravity sewer with the E/One solution!

Envirosight..... Booth 402

www.envirosight.com

Phone: (973) 252-6700

111 Canfield Avenue, Unit B3

Randolph, NJ 07869

Envirosight offers pipe inspection crawlers (including laser, side-scan and lateral launch), push cameras, zoom inspection cameras, video nozzles, and inspection software.

EPOXYTEC..... Booth 514

www.epoxytec.com

Phone: (954) 961-4656

3000 N 29 Court

Hollywood, FL 33020

Manufacturer of 100% solids, VOC free epoxies for water and wastewater structures. Examples being culverts, lift stations, manholes, etc. EPOXYTEC has a certified applicator network and a DIY program.

Flow Assessment Services, LLC Booth 508

www.flowassessment.com

Phone: (610) 918-3857

804 Plumtry Drive

West Chester, PA 19382

Premiere regional flow service provider in infiltration and inflow, capacity, billing, and telemetry.

FloWav, Inc. Booth 300

www.flowav.com

Phone: (855) 2-FLOWAV

1152 Mae Street

Hummelstown, PA 17036

Manufacturer of accurate, reliable and robust open channel flow meters and other flow monitoring equipment.

FlowWorks, Inc. Booth 215

www.FlowWorks.com

Phone: (206) 859-6999

606 Maynard Avenue S, Suite 251

Seattle, WA 98122

FlowWorks contains a powerful suite of data monitoring and reporting tools enabling you to efficiently manage all your monitoring systems through a single web interface.

Freemire & Associates, Inc. Booth 104

www.freemire.com

Phone: (410) 768-8500

1215 Old Dorsey Road

Harmans, MD 21077

Manufacturing representatives serving waste water and water markets.

GNA Ltd..... Booth 314

www.gnacso.com
Phone: (866) 746-2276
11 Spellman Road,
Plattsburg, NY 12901

GNA Inc. with Steinhardt GmbH, a leader in the design and manufacture of state-of-the art combined sewer overflow and stormwater equipment.

Hach Company - Flow Meter Products & Services..... Booth 109

www.hachflow.com
Phone: (970) 622-7120
P.O. Box 389
Loveland, CO 80539

Flow monitoring solutions that deliver accurate and timely data for smart collection system management decisions. Featuring Hach Data Delivery Services and FL900 Series Flow Loggers.

Hadronex, Inc..... Booth 500

www.mysmartcover.com
Phone: (760) 291-1980
381 Engel Street
Escondido, CA 92029

The SmartCover provides wireless level monitoring and remote data to aid wastewater collection systems in making operational decisions and providing alarming for potential sewer overflows.

Hibbard Inshore..... Booth 303

www.hibbardinshore.com
Phone: (248) 745-8456
2285 N Opdyke Road, Suite A
Auburn Hills, MI 48326

Hobas Pipe USA Booth 108

www.hobaspipe.com
Phone: (281) 821-2200
1413 E. Richey Road
Houston, TX 77073

HOBAS Pipes are centrifugally cast, fiberglass-reinforced, polymer mortar pipes. They are strong and light with consistent dimensions, smooth surfaces and high stiffness.

InfoSense, Inc. Booth 400

www.infosenseinc.com

Phone: (877) 747-3245

307-V W Tremont Avenue

Charlotte, NC 28203

The Sewer Line Rapid Assessment Tool (SL-RAT) from InfoSense is an innovative condition assessment tool that provides quick diagnostics of a sewer pipeline segment.

Innovyze Booth 403

www.innovyze.com

Phone: (303) 533-1951

370 Interlocken Boulevard, Suite 300

Broomfield, CO 80021

Global leader in the provision of distribution and collection system hydraulic modeling and asset performance software including live links to water and sewer SCADA systems.

Layne Inliner Booth 311

www.layne.com

Phone: (301) 486-7570

6303 Macaw Court

Elkridge, MD 21075

Layne Inliner is an installer of Cured-In-Place-Pipe (CIPP) and has installed over 16 million feet.

LMK Technologies Booth 105

www.lmktechnologies.com

Phone: (815) 433-1275

1779 Chessie Lane

Ottawa, IL 61350

LMK Technologies is recognized by municipalities and consulting engineers as a high quality innovator of trenchless renewal systems for sewer laterals, mainlines and manholes.

Logiball Inc. Booth 310

www.logiball.com

Phone: (800) 246-5988

440 Papin

Quebec, QC G1P 3T9

Canada

Logiball designs & manufactures equipment for the maintenance and trenchless rehabilitation of collection systems. Our product line includes test and seal packers, inflatable plugs, and carrier for sectional liners.

O'Brien & Gere..... Booth 202

www.obg.com

Phone: (410) 771-3005

Executive Plaza III, Suite 304

11350 McCormick Road

Hunt Valley, MD 21031

O'Brien & Gere has become more than an engineering solutions company. We apply innovative and sustainable solutions to your wastewater collection and conveyance system challenges.

Paradigm Software, LLC..... Booth 315

www.paradigmsoftware.com

Phone: (410) 329-1300

113 Old Padonia Road

Suite 200

Cockeysville, MD 21030

The CompuWeigh™ System will run weigh or flow based businesses, including water or wastewater treatment plants, landfills, transfer stations, quarries, and hauling businesses.

Parson Environmental Products, Inc. Booth 106

www.parsonenvironmental.com

Phone: (800) 356-9023

P.O. Box 4474

Reading, PA 19606

Providing a full line of manhole rehabilitation products and equipment along with on-site Tech Service and unmatched Customer Support since 1985.

Pipeline Analytics Booth 302

www.pipelineanalytics.com

Phone: (877) 626-8386

200 Cedar Ridge Drive; Suite 207

Pittsburgh, PA 15205

WinCan VX pipe inspection and asset management software, which delivers real-time insight about collection systems, is available in the Americas exclusively through Pipeline Analytics.

Pipeline Renewal Technologies..... Booth 203

www.pipelinert.com

Phone: (973) 252-6700

111 Canfield Avenue, Unit B3

Randolph, NJ 07869

Pipeline Renewal Technologies brings innovation to processes ranging from pipe point repair and relining to lateral reinstatement and CIPP installation.

Pipelogix, Inc. Booth 405

www.pipelogix.com

Phone: (866) 299-3150

P. O. Box 14014

Palm Desert, CA 92255

Pipelogix survey software for pipe, lateral, grout or manhole inspections. Compatible with all CCTV systems. PACP/LACP/MACP certified. GIS interface. Backed by outstanding support and service.

Predl Systems North America Inc. Booth 504

www.predlsystems.com

Phone: (855) 773-3562

7520 Conrad Street

Burnaby, BC V5A 2H7

Canada

Predl Systems manufactures custom polymer liners to prevent manhole corrosion due to H₂S. The solid barrier between sanitary sewer effluent and concrete includes watertight connections with all pipe systems to eliminate infiltration and inflow.

Process Wastewater Technologies, LLC Booth 208

www.pwtech.us

Phone: (410) 238-7977
9003 Yellow Brick Road; Suite D
Rosedale, MD 21237

Pure Technologies Booth 200

www.puretechltd.com

Phone: (443) 766-7873
8920 State Route 108; Suite D
Columbia, MD 21045

Pure Technologies is a world leader in the development and application of innovative technologies for inspection, monitoring and management of water and wastewater pressure pipelines.

Quadex/Interfit Booth 408

www.quadexonline.com

Phone: (501) 758-8628
4801 Crystal Hill Road
North Little Rock, AR 70118

Manhole Rehabilitation with cement and epoxy. Seal lateral connections with Interfit full main wrap proprietary system.

Rapid View IBAK North America Booth 411

www.rapidview.com/

Phone: (800) 656-4225
1828 W Olson Road
Rochester, IN 46975

RapidView IBAK North America provides high quality, high production pipeline inspection and rehabilitation robotics.

RJN Group Inc. Booth 404

www.rjn.com

Phone: (630) 682-4700 ext.362
200 W Front Street
Wheaton, IL 60187

Providing civil engineering consulting services for clients and their facilities. Offerings include inspection, study, design, and construction management of wastewater, water, and stormwater infrastructure; GIS and asset management services.

Rockacy and Associates, Inc..... Booth 415

Phone: (800) 836-1011
*2528 Thrush Road
Charlottesville, VA 22901*

We are a manufacturers' representative for Flowtite Pipe, Vylon Pipe, Certalok Pipe, ARI Air Valves, Wrapidseal, and Copperhead Tracer Wiore.

Sauereisen Booth 205

www.sauereisen.com
Phone: (412) 936-0303
*160 Gamma Drive
Pittsburgh, PA 15238*

Sauereisen is a world leading manufacturer of corrosion-resistant materials of construction, manufacturing sealants, corrosion barriers and substrate repair materials for protection and restoration of underground infrastructure. Since 1899.

Savin Engineers, PC Booth 115

www.savinengineers.com
Phone: (410) 650-4073
*400 E Pratt Street, Suite 807
Baltimore, MD 21202*

Savin Engineers, P.C. is a full-service professional engineering and construction management firm. Qualifications encompass the fields of hands-on collection system investigations, water and wastewater engineering.

Sewer History Exhibit Booth 509

www.sewerhistory.org
Phone: (520) 954-3754
*1130 W San Nicolas Circle
Tucson, AZ 85704*

Exhibit displays photos, physical pieces of old pipe, tools and documents - to illustrate to the patron the evolutionary development of sewers during the past 5500 years.

Sprayroq, Inc Booth 507

www.sprayroq.com

Phone: (205) 957-0020
248 Cahaba Valley Parkway
Pelham, AL 35124

Sprayroq, Inc. manufactures spray-applied polyurethane lining systems. Spraywall has been applied to over 150,000 wastewater structures providing structural integrity, corrosion management and infiltration control.

Teledyne Isco..... Booth 309

www.isco.com

Phone: (402) 464-0231
4700 Superior Street
Lincoln, NE 68504

Teledyne Isco manufactures a wide range of products for professionals working in water pollution monitoring, engineers and managers involved with wastewater process control.

Telog Instruments, Inc Booth 201

www.telog.com

Phone: (585) 742-3000
830 Canning Parkway
Victor NY 14564

We design and manufacture wireless water infrastructure monitoring systems. Our systems provide universal compatibility to bring your data together with a single-supplier solution.

Theia - Air Booth 101

www.Theia-Air.com

Phone: (888) 330-2260
460 W Gay Street
West Chester, PA 19380

We are a new kind of company developed to provide solutions for air treatment, odor control, and biogas pretreatment.

The Man Pan Booth 210

www.themanpan.com

Phone: (724) 942-9500
309 Buffalo Ridge Road
McMurray, PA 15317

Manufactures manhole inserts that prevent surface inflow. The Man Pan insert has a standard gasket, patented lifting lugs and a patented design for superior strength.

U.S. Composite Pipe, Inc..... Booth 305

www.uscompositepipe.com

Phone: (817) 829-9109
800 CR 209
Alvarado, TX 76009

Designs and builds steel reinforced polymer manholes and structures for high H2S installations.

Vaughan Company, Inc. Booth 401

www.chopperpumps.com

Phone: (360) 249-4042
364 Monte Elma Road
Montesano, WA 98563

Vaughan Company has been the leader in quality chopper pumps and unmatched reliability since 1960, with over 30,000 units installed worldwide.

VIDEO PIPE SERVICES, INC. Booth 510

www.videopipeservices.com

Phone: (301) 931-0707
11420 Old Baltimore Pike
Beltsville, MD 20705

Part of the industry leading Carylton Corporation, Video Pipe Services, Inc. specializes in the rehabilitation of sanitary sewer and storm drain systems.

Wachs Water Services, LLC..... Booth 100

www.wachsws.com

Phone: (224) 357-2600

801 Asbury Drive

Buffalo Grove, IL 60089

Wachs Water Services is the leading provider of water system asset management solutions that dramatically improves the efficiency and effectiveness of water and wastewater networks.

Weatherford Engineered Chemistry..... Booth 214

www.weatherford.com

Phone: (812) 858-3147

5722 Prospect Drive, P.O. Box 727

Newburgh, IN 47629

Weatherford Engineered Chemistry specializes in H₂S control and odor and corrosion control.

WSG & Solutions, Inc. Booth 414

www.wsgandsolutions.com

Phone: (267) 638-3000

160 Commerce Drive, Suite 100

Montgomeryville, PA 18936
