

Alexie Kindrick
Speaker of the House of Delegates (HOD)

Alexie Kindrick, P.E. is a licensed environmental and civil engineer, senior project manager, and business development professional in the water/wastewater industry for Tetra Tech out of Tulsa, Oklahoma. Alexie also participates on the State of Oklahoma Environmental Quality Board, representing environmental non-profit organizations. At WEF, Alexie serves as the Speaker of the House of Delegates and vice-chair of the Government Affairs Community. Alexie is also a graduate of the Water Leadership Institute. For the Oklahoma WEA, Alexie is a past president and past delegate.

Alexie earned a bachelor's degree from the College of the Holy Cross in Chemistry as well as a master's degree in Environmental Engineering from Oklahoma State University. In her spare time, Alexie is a vacation consultant for WDWGetaways and the Next Level baseball organization team manager. Alexie enjoys spending time with her husband, Bryan and their three kids, as well as her "zoo" of two dogs and two cats.
