### ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO EVENT ACCESS BY PARTICIPANTS

By registering for the **WEF/IWA Innovations in Process Engineering Conference 2023**, I attest to and accept the terms and conditions outlined below:

1. I will abide by all safety and health requirements and protocols for the Event and acknowledge and agree that my failure to do the same may result in my removal from the Event and all related activities without any refund or reimbursement.
2. I acknowledge the contagious nature of any communicable disease and voluntarily assume the risk that I may be exposed to or infected by any such communicable disease by attending the Event; and
3. I release, agree not to sue or bring any action in law or in equity, discharge, and hold harmless the Water Environment Federation, its affiliates, subsidiaries, their respective officers, directors, employees, agents, volunteers, and each of them, from any claims, losses, or expenses arising out of or related to my attendance at the Event including, but not limited to, claims relating to any possible exposure to or contraction of a communicable disease before, during and after the Event.

Full Conference Registration Includes:

- Opening General Session: June 7
- Technical Sessions: June 7-8
- Lunch: June 7
- Receptions: June 7-8

**\$1,025.00**

This item is required

**Pre-conference Workshop A, Nonmember**

Mainstream Anammox: Accelerating Technology Adoption and Upscaling PdNA With An Aim Towards PNA  
Full Day Tuesday, June 6, 2023, | 8:30 am - 5:00 pm

When it comes to mainstream anammox, how adventurous are you? Conventional biological nutrient removal (BNR) is proven to be robust and many WRRFs have the infrastructure in place with designed safety factors. When looking to apply mainstream anammox, there are many advantages including gaining additional capacity (reduced treatment footprint) and reductions in aeration and carbon. So how can WRRFs make this technology leap? The overall goal of the workshop is to share the knowledge and technology transfer for the scale-up and implementation of the technology at WRRFs.

**\$225.00**
