

House of Delegates – Speaker Elect
Scott Aurit
HDR
Phone: 402-926-7082
Email: scott.aurit@hdrinc.com

Scott graduated from the University of Nebraska with a degree in Biological Systems Engineering in 1999. He is currently serving as the Nebraska/Iowa Pump Stations & Pipelines Business Class Lead at HDR. Scott has spent most of his career working on combined sewer overflow programs and his project management experience includes numerous wastewater conveyance and treatment projects. Scott has served in various roles and committees in NWEA and WEF over the past 20 years, including NWEA president and as a WEF delegate for six years. Scott is an active member in the WEF Collection Systems Committee and helped host the Collection Systems Conference in Omaha in 2017.

Scott is very active with his four kids watching them participate in the Cornhusker Marching Band, High School Marching Band/Show Choir, and coaching his youngest son in baseball.
