

ODORS AND AIR POLLUTANTS

'20

SUSTAINABLE DEVELOPMENT GOALS

All WEF members and water professionals contribute to the UN Sustainable Development Goals (SDGs) every day they go to work. To highlight the value of water, WEF is offering a SDG educational certificate to all Odors and Air Pollutants 2020 attendees who attend at least 3 SDG related sessions. When identifying sessions, virtually all conference programming is related to SDG 6: Clean Water and Sanitation. However, we have selected an extensive list of sessions that directly address a key target for multiple SDGs. Please select which sessions you attended and we will e-mail you the OAP 2020 SDG Awareness Professional Development Certificate.

**Attend 3 SDG
sessions to
receive an SDG
educational
certificate.**

3 - GOOD HEALTH AND WELL-BEING

3 Good Health and Well-being

6 Sewer Odor Modeling

7 Odor Measurement Monitoring and Performance

8 Innovative Treatment Approaches

7 - AFFORDABLE AND CLEAN ENERGY
