Assumption of Risk

ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY
RELATING TO EVENT ACCESS BY PARTICIPANTS

COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. It has been reported that people can be infected, show no symptoms, and still spread the disease. Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness and even death. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. Governmental restrictions may change at any time without prior notice. As such, the Water Environment Federation (WEFB) cannot guarantee eligibility to travel or to participate in the 2022 WEF/AWWA Utility Management Conference ("Event") if restrictions change.

WEF and its agents, and the Hyatt Regency Grand Cypress (collectively "Entities") will seek to implement preventative measures to reduce the spread of COVID-19 consistent with the guidance and recommendations of public health agencies for slowing the transmission and exposure to COVID-19 including, but not limited to, providing proof of vaccination or a **negative COVID-19 test result** for all Event participants and sanitation procedures and physical distancing measures at and during the Event.

WEF cannot prevent Event Attendees from becoming exposed to, contracting, or spreading COVID-19 while attending its Events and/or entering onto premises where WEF's Events are held. It is not possible to prevent against the presence of the disease. Therefore, if Event Attendees choose to attend a conference organized by WEF and enter onto premises where its Events are held, they may be exposing themselves to and/or increasing your risk of contracting or spreading COVID-19.

By signing this Assumption of the Risk and Waiver of Liability Relating to Event Access By Participants, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by accessing the Event and that such exposure or infection may result in personal injury, illness, permanent disability, and death. The conference is of such value to me that I accept the risk of being exposed to, contracting, and/or spreading COVID-19 in order to attend in-person. I understand that the risk of becoming exposed to or infected by COVID-19 may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Entities, their respective employees, agents, contractors, volunteers, and other Event participants. I agree to abide by all preventative measures (collectively "Measures") put in place by
