## Is Now Mobile!

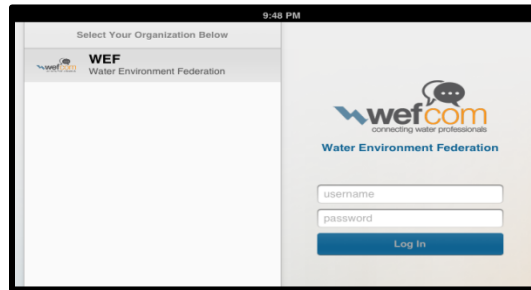

Connect with water professionals in a whole new way—via the WEFCOM mobile app! The app is available on a variety of mobile devices at no cost — just use these two easy steps to get it.

1. Download the WEFCOM mobile app by searching MemberCentric in your device's app store.
2. Once you have downloaded and opened the app, find the Water Environment Federation.

# Mobile App Features

Once you have downloaded and opened the app, log in using the same credentials as you would on the WEFCom website. Use your profile page to log out and to refresh the app.
