Water Environment Federation Selects 2020 WEF Fellows For Contributions to Water Profession

ALEXANDRIA, Va. – The Water Environment Federation (WEF) proudly announces 15 distinguished members as the 2020 WEF Fellows recipients. This prestigious designation recognizes members' achievements, stature, and contributions in the water profession.

"WEF salutes these outstanding individuals and the profound impact they have made on the global water environment," said WEF President Jackie Jarrell. "The accomplishments of the 2020 WEF Fellows are a testament to the remarkable dedication and passion of our members."

The WEF Fellows Recognition Program underscores WEF's role as a valuable water quality resource, which is due in large part to the expertise of its diverse membership. WEF Fellows are recognized in various areas of expertise including, but not limited to design, education, operations, regulation, research, utility management and leadership.
