

To customize the Communicating the Value of Water Bill Stuffers:

- Download "WEF_BillStuffer Customizable.pdf"
- Open the downloaded file in Adobe Acrobat Professional (note: Adobe Acrobat Reader **is not** capable of customizing this document).
- In the white area noted for customization, place your logo file (recommended 300 dpi) and preferred text.
- Save the document as a print ready PDF and submit to your printer for production/fulfillment.

If you require access to the original InDesign files, please contact Lori Harrison in WEF's Communications Department at lharrison@wef.org.
