

# WORKING LUNCH SESSION FOR YOUNG PROFESSIONALS Water Sector Workforce Development

Workforce development is an important and timely issue in the water sector. This working lunch session will explore recruitment and retention strategies to address workforce development challenges in the sector. Young professionals are invited to join U.S. EPA, NACWA, WEF, and AWWA in this highly interactive discussion to share your insights and experiences, which will be critical to support discussions on workforce development in the water sector now taking place.

**Your feedback is important to the future health of the water sector workforce!**
