

# 2023 EDITORIAL CALENDAR

## Get Published in *WE&T*

**W**ater Environment & Technology (*WE&T*) is a benefit of membership to about 40,000 water-sector leaders and front-line operators and engineers worldwide each month — and member voices add an additional value.

Your contributions help your service area — your customers — every day. Take time to share those contributions with your global water sector community through *WE&T*.

Use the topics listed below to decide where your message might fit best.

Also understand *WE&T* will expand the theme of our coverage beyond operations, engineering, regulations, and best practices to include the business side of the water sector and worldwide perspectives. Contact [magazine@wef.org](mailto:magazine@wef.org) with ideas and questions.
