

## Press Registration and Badge Policy

Complimentary press registration for WEFTEC 2024 is reserved for **credentialed media representatives only**. Approval of complimentary press registration is at the sole discretion of the Water Environment Federation.

WEF policy defines a credentialed media representative as an accredited print (newspaper and magazine) and electronic (radio, television, and online journal, magazine, and newspaper) reporters, editors, and camera operators who have the sole purpose of covering the conference for their respective media outlet. Those who do not provide sufficient verification of press credentials will not be approved and must register as a regular attendee.

Proof of media credentials are required to receive complimentary registration. Examples include a business card (with editor, journalist or publisher title), a copy of press credentials, or a published article (must include a byline and publication title). Sales, marketing, public relations and all other non-media professionals are not eligible and will be required to register as a regular attendee.

Media will not be allowed to enter the exhibition floor, technical sessions, or other WEFTEC events without a Press badge. Media is permitted to attend all WEFTEC events that are open to the public.

Members of the media who are also participating in **WEFTEC** as an attendee or exhibitor and have already received a badge will **not** be provided with a duplicate press badge.

Press registration does not qualify for Continuing Education Credit.

**By registering for WEFTEC, you are agreeing to comply with WEF's Policies, Terms and Conditions.**
