

2022 EDITORIAL CALENDAR

Write for *WE&T* in 2022

Showcase your results! *Water Environment & Technology* (*WE&T*) reaches about 40,000 water-sector leaders and front-line operators and engineers worldwide each month.

In addition to the topics listed here, *WE&T* anticipates expanding the theme of our coverage beyond operations, engineering, regulations, and best practices to include the business side of

the water sector as well as worldwide perspectives and issues. We encourage you to contact us at magazine@wef.org with all of ideas and questions.

Easy as 1, 2, 3.

To be published in *WE&T*, find the topics below that align with your area of interest, and then send the editors your idea or a manuscript. Ideas can be as simple as a few paragraphs. Full

manuscripts can be technical papers, white papers, or fully crafted articles. (Ideas are due earlier to give more time to develop them.)

Work with our editors to refine and develop the article. One or two sets of edits usually gets the job done.

See your work published in print and online, making it easy to share. 🐦

January

2022 State of the Sector
Cybersecurity
Distributed Systems
Nutrient Treatment & Recovery

Important Dates

Ideas due: September 30, 2021

Manuscripts due: October 15, 2021

February

Collection Systems
Drinking Water
Odor & Corrosion Control
Tanks & Storage

Important Dates

Ideas due: October 15, 2021

Manuscripts due: November 15, 2021

Bonus distribution

- Collection Systems Conference 2022 | Detroit | March 19 to 22

March

Energy Conservation & Generation
Filtration
Industrial Pretreatment & High-Strength Wastes
Smart Water & Data Analytics

Important Dates

Ideas due: October 31, 2021

Manuscripts due: December 13, 2021

April

Operator Training & Workforce Development
PFAS
Public Outreach & Community Relations
Residuals & Biosolids

Important Dates

Ideas due: November 15, 2021

Manuscripts due: January 15, 2022

Bonus distribution

- Residuals and Biosolids Conference 2022 | Columbus, Ohio | May 24 to 27
