Water Environment & Technology 2020 Editorial Calendar

WET tells your stories every month. This calendar shows when we plan to cover all the various topics that connect to the water sector. Want to

share a story about something not listed? Contact us. We consider submissions on any water-related topic.

Send abstract, outline, or completed manuscript to magazine@wef.org. All

submissions must include phone number and e-mail address of the corresponding author. For more information, see www.wef.org/write-for-wet.
