# 2020

A graphic of blue smoke or steam rising from the bottom right corner, filling the upper right portion of the page.

Join us  
in Cincy  
for a three-  
day showcase  
on odors and  
air pollutants  
management. Immerse  
yourself in innovative  
solutions, essential  
education, and network with  
experts from around the world.  
#OAP20 is packed with more than  
12 highly focused technical sessions  
and workshops covering today's most  
pressing topics, including regulatory  
requirements and advanced treatment  
approaches. Get the big picture,  
the future landscape, and a deeper  
understanding of existing techniques  
at the most relevant and engaging  
odors and air pollutants management  
event of the year.

# EXHIBITION OPPORTUNITIES

Reach attendees with proven interest in your equipment, products, and services. Every year, exhibitors find Odors and Air Pollutants successful in terms of both quality and quantity of the sales leads they acquire as a result of their exhibit.

**The Odors and Air Pollutants Conference and The National Stormwater Symposium will feature a combined exhibit hall, giving exhibitors the opportunity to network with attendees of both events.**

Monday, March 16 | 10:00 am – 6:15 pm

Tuesday, March 17 | 10:00 am – 3:45 pm

## **Exhibit Space Rates: 10' x 10' Booth**

WEF Exhibitor Member: \$2,400, plus \$75 per corner

Non-Member: \$3,000, plus \$75 per corner

Please note: The Federation has various types of memberships. Only Exhibitor Members are eligible for the discount on exhibit space.

## **SPACE RATES INCLUDE:**

# SPONSORSHIP OPPORTUNITIES

Sponsoring Odors and Air Pollutants 2020 will enhance your company's visibility and provide greater awareness of your branding, products, and services to attendees beyond the exhibition floor.

# 77%

of surveyed 2018 Odors and Air Pollutants Conference attendees were able to recognize and accurately identify conference sponsors.

Each sponsorship opportunity offers multiple brand exposures before, during, and after the show at price points designed for any marketing plan.

## SIGN UP TO BE A SPONSOR TODAY!

[www.wef.org/OdorsAir-howto-exhibit-sponsor](http://www.wef.org/OdorsAir-howto-exhibit-sponsor)

Networking opportunities are among the top 3 reasons for attending OAP. Consider sponsoring one of the conference's on-site events to get your company in front of attendees.

*Our long-term partnership with WEF and active involvement in your conferences supports our corporate mission—to provide vision, value and service to support clean water worldwide. From sponsorship concepts to fulfillment, your staff always goes above and beyond to create unique opportunities to help us reach our clients and partners!*
