## U.S. Stockholm Junior Woter Prize

The U.S. Stockholm Junior Water Prize (SJWP) brings together some of the brightest and most imaginative young scientists from across the U.S., Puerto Rico, and the U.S. Virgin Islands, encouraging their continued interest in water and sustainability issues, while giving their topics national exposure.

Your donation is needed to help support the U.S. SJWP program's 3-day event and foster today's youth as they work to protect the environment and the world's most precious resource...Water.
