

2027 EDITORIAL CALENDAR

Get published in *WE&T*

Water Environment & Technology (*WE&T*) is a benefit of WEF membership and reaches a global audience of more than 40,000 water-sector leaders and front-line operators and engineers. Member voices add an additional value, and the *WE&T*

editorial team invites you to submit your article ideas based on the calendar below. Share your sector insight, expertise, and contributions with your global water community through *WE&T*.

Use the topics listed below to decide where your message might fit best. Also understand *WE&T* will expand

the theme of our coverage beyond operations, engineering, regulations, and best practices to include the business side of the water sector and worldwide perspectives. Contact magazine@wef.org with ideas and questions. 

February

State of the Sector
Utility Management
Essential Workers
Small Communities

Important Dates

Ideas due: October 15, 2026

Manuscripts due: November 30, 2026

Bonus Distribution

2027 Utility Management Conference

April

Residuals & Biosolids
PFAS
Smart Water
Resilience

Important Dates

Ideas due: November 15, 2026

Manuscripts due: January 15, 2027

Bonus Distribution

2026 Residuals & Biosolids and Innovations in Treatment Technology

May

Circular Water Economy
Drinking Water
Odor Control
Funding & Financing

Important Dates

Ideas due: December 15, 2026

Manuscripts due: February 15, 2027

Bonus Distribution

AWWA ACE 2027

June

Collection Systems
Stormwater
Asset Management
*Editors' Choice

Important Dates

Ideas due: January 15, 2027

Manuscripts due: March 15, 2027

Bonus Distribution

Collection Systems and Stormwater Conference
